Machine COMPOSITION is done on a 15x15 Lanston Composition Caster from 4 to 24 point. Rates vary according to complexity, but generally run about 2.5 to 3 cents per en— so a 25 pica line (50 ens) is \$1.25 to \$1.50 a line. Send a sample page with specifications for an accurate quote.

METAL RETURNED will be credited at the metal charge rate: \$2/lb. A nice way to build up your type holdings is to have a job set in composition and filling up a case with redistributed type and returning the balance.

If you are MIXING new type into your cases be sure to send a cap H for alignment.

SORTS: minimum order \$24, use border prices.
